COMMITTEE OF THE WHOLE
January 27, 2015

The Mayor recognized Division Commander O'Halloran who reviewed and explained they will be traded in and replaced over a 2-3 year period.

4. Bond Presentation: The Mayor recognized Finance Director Rasheed Jones, Assistant Finance Director Ben Danish and Financial Advisor Dan Deny regarding the City of Berwyn Pension Bond Plan which was adopted in 2013 and gave a Power Point presentation regarding same. Deny explained the possibility of accelerating the 2015 bond issue due to the current bond market and the historically low interest rates levels, noting that there will not be any increase in the City's total overall debt. Deny went on to explain the 85 million still remaining in unfunded pension liabilities and the option of implementing the second round of a $30 million bond issue that will fund both the Police and Fire pensions and locking in the 30 year funding at the current low interest rates versus waiting until October. The current Treasury Bills are at 2.5%, the lowest in decades and explained the benefits, noting the borrowing cost is lower than the current interest rates of the unfunded pension liability, if the City issues the bonds in the next 8 weeks, stating the interest rates are predicted to increase in July 2015. The recommendation is to accelerate the 2015 Bond Issuance now, locking in the 5% rate for 30 years with no impact on the City's budget. Alderman Paul questioned the 10 year corporate rate in 2013 versus the 30 year rate. Deny explained the 10 year was at 5.85% versus the 6.5% rate at that point.

   Note: Santoy present at 6:42 p.m.

The Mayor noted that this will be brought back to council in the next couple of meetings for City Councils consideration and passage and asked for a consensus to concur to accelerate the bond issuance. Re: February 10, 2015 City Council Meeting

Dear Honorable Mayor Lovero, Honorable Clerk Pavlik, and the City Council:

As you are aware, the City has agreed to incentivize Berwyn Gateway Partners II, LLC to ensure the orderly development of Phase II of the Cermak Plaza Redevelopment Project. To satisfy the terms of the aforesaid Redevelopment Agreement, the staff of the City and the Berwyn Development Corporation are proposing that the City undertake a private placement debt offering in the amount not exceeding $1,900,000.00, as set forth on the attached documents. The debt service on this proposed debt offering will be paid solely through tax increment generated in the Harlem Avenue TIF District, and as such the general taxing base of the City will not secure the repayment of this Bond. The Bond shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision.

On behalf of the Berwyn Development Corporation and the staff of the City, please look favorably upon this proposal.

Very Truly Yours,

Section 8. Sale of Bonds. The Designated Officers are hereby authorized to proceed, without any further official authorization or direction whatsoever from the Corporate Authorities, to sell and deliver the Bonds to the Purchaser upon the terms herein provided and specified in the Bond Order. The Designated Officers as shall be appropriate shall be and are hereby authorized and directed (i) to sell the Bonds to the Purchaser at a negotiated sale upon their finding that the terms of the Bonds are fair and reasonable in view of current conditions in the bond markets and that the Bonds meet the terms and requirements of this Ordinance, and (ii) to approve or execute, or both, the Bond Order and such other documents of sale of the Bonds as may be necessary, including, without limitation, and closing documents. The purchase price shall be as provided in the Bond Order. The Clerk is further directed to make available to the Corporate Authorities a copy of the executed Bond Order at the first regularly scheduled meeting of the Corporate Authorities following the execution of the same, but such action shall be for information purposes only, and the Corporate Authorities shall have no right or authority at such time to approve or reject such sale as evidenced in the Bond Order. Nothing in this Section shall require the Designated Officers to sell the Bonds if in their judgment the conditions in the bond markets shall have markedly deteriorated from the time of adoption hereof, but the Designated Officers shall have the authority to sell the Bonds in any event so long as the limitations set forth in this Ordinance and the conditions of this Section shall have been met.

No person holding any office of the City, either by election or appointment under the laws or Constitution of the State of Illinois, is in any manner financially interested directly in his or her own name or indirectly in the name of any person, association, trust or corporation, in the purchase of the Bonds.

The selection and retention of Ice Miller LLP, Chicago, Illinois, to serve as bond counsel, all other participants required to sell the bonds, including, but not limited to, special issuer

counsel, financial advisor, rating agency printers, and security services, all in connection with the issuance of the Bonds, is hereby ratified, confirmed and approved.

The Designated Officers are hereby authorized to execute, without further official action or direction by the Corporate Authorities, such additional documents and closing documents as shall be required to effectuate the delivery of the Bonds, including, without limitation, the Certificate of the City Re: Arbitrage and Federal Tax Matters.

Section 9. Creation of Funds and Accounts. The following funds are hereby created:(a) Special Tax Allocation Fund. There is hereby created the "Special Tax Allocation Fund of 2015" (the "*Bond Fund*"), which shall be the fund for the payment of the principal of and interest on the Bonds. Collection of Incremental Taxes pursuant to this Ordinance and the Bond Order shall be deposited into the Bond Fund as required by this Ordinance and shall be used solely and only for the payment of the principal of and interest on the Bonds when due. All amounts on deposit in the Bond Fund are hereby irrevocably pledged to and shall be used only for the purpose of paying the principal of and interest on the Bonds. Interest income or investment profit earned in the Bond Fund shall be retained in the Bond Fund for payment of the principal of or interest on the Bonds on the interest payment date next after such interest or profit is received. All monies remaining in the Bond Fund on December 2 of each year in excess of the required amount to pay principal and interest on the Bonds for the preceding year or as required pursuant to Section 20 hereof, may be transferred to the General Fund of the City. *Section 10. Project Fund.* There is hereby created and established a special fund of the City known as the "Project Fund, Series 2015" (the "*Project Fund*") to be held by the Treasurer. Proceeds of the Bonds shall be deposited in the Project Fund, and the Project Fund shall be used for the purpose of paying the costs of the Project, and costs of issuance. For the purpose of paying first interest due on the Bonds, an amount necessary for that purpose may be loaned from the Project Fund to

the Bond Fund. Said amount shall be reimbursed to the Project Fund from the Bond Fund as Pledged Revenues are received and available therefore. Additional loans from the Project Fund to the Bond Fund to pay debt service on the Bonds may be made upon further direction of the Corporate Authorities so long as provision is made to reimburse the Project Fund with Pledged Revenues.

Interest received from deposits in the Project Fund shall, at the discretion of the Corporate Authorities, either be transferred for the payment of the principal of and interest on the Bonds on the interest payment date next after such interest is received or be retained in the Project Fund.

In the event that any monies remain in the Project Fund upon completion of the Project, the City shall deposit the remaining moneys in the Project Fund into the Bond Fund and shall cause such moneys to be used to pay the interest on the Bonds on the earliest possible date.

Section 11. Not Private Activity Bonds. None of the Bonds is a "private activity bond" as defined in Section 141(a) of the Code. In support of such conclusion, the City certifies, represents and covenants as follows:

(A) No direct or indirect payments are to be made on any Bond with respect to any private business use by any person other than a state or local governmental unit.

(B) None of the proceeds of the Bonds is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

(C) No user of the public capital infrastructure financed with the proceeds of the Bonds other than the City or another governmental unit will use the same on any basis other than the same basis as the general public; and no person other than the City or another governmental unit will be or has been a user of the Prior Project as a result of (i) ownership or (ii) actual or beneficial use pursuant to a lease, a management or incentive

payment contract, or (iii) any other arrangement.

Section 12. Tax Covenants. The City agrees to comply with, and as of the date hereof reasonably expects that it will comply with, all provisions of the Code which, if not complied with by the City, would cause the Bonds not to be tax-exempt. As used herein, "*tax-exempt*" means, with respect to the Bonds, the status of interest paid and received thereon as not includible in the gross income of the owners thereof under the Code for federal income tax purposes except to the extent that such interest is taken into account in computing an adjustment used in determining the alternative minimum tax for certain corporations and in computing the "branch profits tax" imposed on certain foreign corporations. It shall not be an event of default under this Ordinance if the interest on any of the Bonds is not tax-exempt pursuant to any provision of the Code which is not currently in effect and in existence on the date of the issuance of the Bonds. In furtherance of the foregoing provisions, but without limiting their generality, the City agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by counsel approving the Bonds, including, without limitation, a Certificate Re: Arbitrage and Federal Tax Matters; (c) to consult with such counsel and to comply with such advice as may be given; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

The City further certifies and covenants as follows with respect to the requirements of Section 148(f) of the Code, relating to the rebate of "excess arbitrage profits" (the "*Rebate Requirement*") to the United States:

(A) Unless an applicable exception to the Rebate Requirement is available to the City, the City will meet the Rebate Requirement.

(B) Relating to applicable exceptions, the City Treasurer or the Mayor is hereby authorized to make such elections under the Code as either such officer shall deem reasonable and in the best interests of the City. If such election may result in a "penalty in lieu of rebate" as provided in the Code, and such penalty is incurred (the "*Penalty*"), then the City shall pay such Penalty.

(C) The officers of the City shall cause to be established, at such time and in such manner as they may deem necessary or appropriate hereunder, a "2015 Bonds Rebate Fund" (the "*148 Compliance Fund*") for the Bonds, and such officers shall further, not less frequently than annually, cause to be transferred to the 148 Compliance Fund the amount determined to be the accrued liability under the Rebate Requirement or Penalty. Said officers shall cause to be paid to the United States Treasury, without further order or direction from the Corporate Authorities, from time to time as required, amounts sufficient to meet the Rebate Requirement or to pay the Penalty.

(D) Interest earnings in the Bond Fund are hereby authorized to be transferred, without further order or direction from the Corporate Authorities, from time to time as required, to the 148 Compliance Fund for the purposes herein provided; and proceeds of the Bonds and other funds of the City are also hereby authorized to be used to meet the Rebate Requirement or to pay the Penalty, but only if necessary after application of investment earnings as aforesaid and only as appropriated by the Corporate Authorities.

The Corporate Authorities also certify and further covenant with the Purchaser and the holders and registered owners of the Bonds from time to time outstanding that so long as any of the Bonds remain unpaid, moneys on deposit in any fund or account in connection with the

Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used in a manner which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and any lawful regulations promulgated thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The Corporate Authorities reserve the right, however, to make any investment of moneys on deposit in any fund or account in connection with the Bonds permitted by state law, if, when and to the extent that said Section 148 or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of an attorney at law or a firm of attorneys of nationally recognized standing in matters pertaining to tax-exempt bonds, result in the inclusion of interest on the Bonds in gross income for federal income tax purposes.

The Corporate Authorities are hereby authorized and directed to make such further covenants, estimates, representation, or assurances as may be necessary or advisable to the end that the Bonds not be "arbitrage bonds" as aforesaid.

The City also agrees and covenants with the Purchaser and the holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds. In furtherance of the foregoing provision, but without limiting its generality, the City agrees: (a) through its Corporate Authorities, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by counsel approving the Bonds; (c) to consult with such counsel and to comply with such advice as may be given; (d) to file such forms, statements and

supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

Section 13. Registered Form. The City recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order to be and remain tax-exempt. In this connection, the City agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 14. [Reserved].

Section 15. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the owners of all Bonds and upon any transfer shall add the name and address of the new owner and eliminate the name and address of the transferor owner.

Section 16. Duties of Bond Registrar. Upon the appointment of any successor registrar and paying agent by the City, the Mayor or the Treasurer are authorized and directed to enter into such agreements and understandings with such successor registrar and paying agent as will enable the institution to perform the services required of a registrar and paying agent for the Bonds. The Mayor and Treasurer are further authorized to pay such fees as the successor registrar and paying agent may charge for the services it provides as registrar and paying agent. If requested by the Bond Registrar, the Mayor and the Treasurer are authorized to execute the Bond Registrar's standard form of agreement between the City and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following:

(a) to act as bond registrar, paying agent, authenticating agent and transfer agent as provided herein;

(b) to maintain a list of the owners of the Bonds as set forth herein and to furnish such list to the City upon request, but otherwise to keep such list confidential;

(c) to give notice of redemption of Bonds as provided herein;

(d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;

(e) to furnish the City at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(f) to furnish the City at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 17. Provisions a Contract. The provisions of this Ordinance shall constitute a contract between the City and the owners of the outstanding Bonds and no changes, additions, or alterations of any kind shall be made hereto, except as herein provided, so long as there are any outstanding Bonds.

Section 18. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 19. Repealer. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

Section 20. Effective Date. This Ordinance shall be in full force and effect forthwith and immediately upon its passage.

Re: 2015A Bond Ordinance

At the Committee of the Whole meeting on January 27, 2015, a presentation was made regarding the issuance of pension funding bonds. Attached is an ordinance providing for the issuance of up to $31 million of taxable general obligation bonds for the purpose of funding a portion of the unfunded accrued liabilities of the Police and Firefighter Pension Plans.

We recommend that you approve the attached ordinance. Thank you.

ORDINANCE NO. 15-_____

AN ORDINANCE providing for the issuance of General Obligation Bonds (Taxable), Series 2015A of the City of Berwyn, Cook County, Illinois, in the aggregate principal amount not to exceed $31,000,000 for the purpose of funding a portion of the unfunded accrued actuarial liabilities of the Police Pension Fund and the Firefighters Pension Fund and costs related thereto and to the issuance of such bonds and for the levy of a direct annual tax sufficient to pay the principal of and interest on said bonds.

WHEREAS, the City of Berwyn, Cook County, Illinois (the "***City***"), is a home rule municipality and body politic of the State of Illinois, duly created, organized and existing under the Illinois Municipal Code (the "***Municipal Code***"), and having the powers, objects and purposes provided by said Code; and

WHEREAS, pursuant to the provisions of Sections 6(d) and 6(k) of Article VII of the Constitution of the State of Illinois (the "***Constitution***"), a home rule unit may incur debt payable from ad valorem property tax receipts maturing not more than 40 years from the time it is incurred and without referendum approval thereof; and

WHEREAS, the City Council of the City (the "***Council***") have heretofore determined and do hereby determine that it is advisable, necessary and in the best interests of the residents of the City to issue its bonds and (i) fund a portion of the unfunded accrued actuarial liabilities of the City's Police Pension Fund and the Firefighters Pension Fund (the "***Funding***") and (ii) pay certain costs of issuance of the Bonds (as such term is hereinafter defined), all for the benefit of the inhabitants of the City; and

WHEREAS, there are insufficient funds on hand and lawfully available to pay the estimated costs of the Funding, including legal, financial, bond discount, printing and publication costs, and other expenses (collectively, the "***Costs***"); and

WHEREAS, the issuance of bonds by the City is exempt from the requirements of the Bond Issue Notification Act of the State of Illinois, as amended; and

WHEREAS, the bonds to be issued by the City will be payable from the unlimited ad valorem property taxes levied within the City; and

WHEREAS, the Council is now authorized to issue bonds in the aggregate issued principal amount not to exceed $31,000,000 in accordance with the provisions of the Municipal Code and Sections 6(d) and 6(k) of Article VII of the Constitution, and the Council hereby determines that it is necessary and desirable that there be issued at this time not to exceed $31,000,000 in issued amount of the bonds so authorized;

WHEREAS, the City shall further set forth the terms of the Bonds as provided in the Bond Order as hereinafter defined; and

NOW THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF BERWYN, COOK COUNTY, ILLINOIS, AS FOLLOWS:

Section 1. **Incorporation of Preambles**. The Council hereby finds that all of the recitals contained in the preambles to this Ordinance are full, true and correct and does incorporate them into this Ordinance by this reference.

Section 2. **Authorization**. It is hereby found and determined that the Council has been authorized by the provisions of the Constitution to issue bonds of the City in the aggregate issued amount not to exceed $31,000,000 for the purpose of funding a portion of the unfunded accrued actuarial liabilities of the City's Police Pension Fund and the Firefighters Pension Fund (the "***Funding***") and paying certain costs of issuance of the Bonds, and such borrowing of money is necessary for the welfare of the government and affairs of the City, is a proper public purpose and is in the public interest.

Section 3. **Bond Details**. There shall be borrowed on the credit of and for and on behalf of the City, the sum not to exceed $31,000,000 for the purpose aforesaid and that the City shall issue in the name of the City it's " General Obligation Bonds (Taxable), Series 2015A" (the "***Bonds***") pursuant to the Constitution in the amount not to exceed $31,000,000 for the purpose of providing funds for the Funding and paying certain costs of issuance of the Bonds.

The Bonds shall be issued in one or more series, in amounts of $5,000 or any integral multiple thereof, shall be numbered consecutively from R-1 up and shall be dated the date, and paying interest as set forth in the Bond Order to be filed with the County Clerk of Cook County, Illinois in connection with the sale of the Bonds (the "***Bond Order***"). The Bonds shall be payable in lawful money of the United States of America, at the principal office of the Paying Agent (as hereinafter defined). Such Bonds shall mature on the dates not later than December 1, 2045 and shall bear interest at the rates per annum not to exceed 6% (computed on the basis of a 360-day year of twelve 30-day months), all as provided in the Bond Order.

Section 4. **Registrar and Paying Agent**. The City Treasurer is hereby appointed to serve as Registrar and Paying Agent for the Bonds (the "***Registrar***" or "***Paying Agent***"). The Registrar is hereby charged with the responsibility of authenticating the Bonds.

The Bonds shall be payable at the principal office of the Paying Agent. If the payment date occurs on a date when financial institutions are not open for business, the payment shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received by the registered owner by 2:30 p.m. (New York City time). All payments on the Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment shall be legal tender for the payment of public and private debts.

Each Bond shall be transferable or exchangeable only upon the books of the City kept for that purpose at the principal office of the Registrar by the registered owner in person, or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner, or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in an authorized aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The Registrar shall not be required to transfer or exchange any Bond during the fifteen (15) days prior to a principal payment date and ending on such principal payment date. The costs of such transfer or exchange shall be borne by the City except for any tax or governmental charge required to be paid with respect to the transfer or exchange, which taxes or governmental charges are payable by the person requesting such transfer or exchange. The City, Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes including for the purpose of receiving payment of, or on account of, the Maturity Amount.

The Registrar and Paying Agent may at any time resign as Registrar and Paying Agent upon giving 30 days' notice in writing to the City and by first class mail to each registered owner of the Bonds then outstanding, and such resignation will take effect at the end of such 30 day period or upon the earlier appointment of a successor registrar and paying agent by the City. Any such notice to the City may be served personally or sent by registered mail. The Registrar and Paying Agent may be removed at any time as Registrar and Paying Agent by the City, in which event the City may appoint a successor registrar and paying agent. The City shall notify each registered owner of the Bonds then outstanding by first class mail of the removal of the Registrar

and Paying Agent. Notices to the registered owners of the Bonds shall be deemed to be given when mailed by first class mail to the addresses of such registered owners as they appear on the registration books kept by the Registrar.

Upon the appointment of any successor registrar and paying agent by the City, the Mayor or the Treasurer are authorized and directed to enter into such agreements and understandings with such successor registrar and paying agent as will enable the institution to perform the services required of a registrar and paying agent for the Bonds. The Mayor and Treasurer are further authorized to pay such fees as the successor registrar and paying agent may charge for the services it provides as registrar and paying agent.

Any predecessor registrar and paying agent shall deliver all of the Bonds and any cash or investments in its possession with respect thereto, together with the registration books, to the successor registrar and paying agent.

The Registrar shall cause said Bonds to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such Bonds printed until it shall have received from the City indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to bondholders by the City or the Registrar with respect to any consent or other action to be taken by bondholders, the City or the Registrar, as the case may be, shall establish a record date for such consent or other action and give the bondholders notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

The City has determined that it may be beneficial to the City to have the Bonds held by a central depository system pursuant to an agreement between the City and The Depository Trust

Company, New York, New York ("***Depository Trust Company***") and have transfers of the Bonds effected by book-entry on the books of the central depository system ("***Book Entry System***"). The Bonds may be initially issued in the form of a separate single authenticated fully registered Bond for the aggregate principal amount of each separate maturity of the Bonds. In such case, upon initial issuance, the ownership of such Bonds shall be registered in the register kept by the Registrar in the name of Cede & Co., as nominee of the Depository Trust Company.

With respect to the Bonds registered in the register kept by the Registrar in the name of Cede & Co., as nominee of the Depository Trust Company, the City and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("***Beneficial Owner***")) of the Bonds with respect to (i) the accuracy of the records of the Depository Trust Company, Cede & Co., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any notice with respect to the Bonds including any notice of redemption, or (iii) the payment to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the Bonds except as otherwise provided herein.

So long as the Bonds are registered in the name of CEDE & CO., as nominee of the Depository Trust Company, no person other than the Depository Trust Company shall receive an authenticated Bond evidencing an obligation of the City to make payments of the principal of and premium, if any, and interest on the Bonds pursuant to this Ordinance. The City and the Registrar and Paying Agent may treat as and deem the Depository Trust Company or Cede & Co. to be the absolute bondholder of each of the Bonds for the purpose of (i) payment of the

principal of and premium, if any, and interest on such Bonds; (ii) giving notices of redemption and other notices permitted to be given to bondholders with respect to such Bonds; (iii) registering transfers with respect to such Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the City's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Upon delivery by the Depository Trust Company to the City of written notice to the effect that the Depository Trust Company has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to consents, the words "Cede & Co." in this Ordinance shall refer to such new nominee of the Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of the Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Depository Trust Company as provided in a representation letter from the City to the Depository Trust Company.

Upon receipt by the City of written notice from the Depository Trust Company to the effect that the Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of the Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the register of the City kept by the Registrar in the name of Cede & Co., as nominee of the

Depository Trust Company, but may be registered in whatever name or names the bondholders transferring or exchanging the Bonds shall designate, in accordance with the provisions of this Ordinance.

If the City determines that it is in the best interest of the bondholders that they be able to obtain Bonds for the fully registered Bonds, the City may notify the Depository Trust Company and the Registrar, whereupon the Depository Trust Company will notify the Beneficial Owners of the availability through the Depository Trust Company of Bonds for the Bonds. In such event, the Registrar shall prepare, authenticate, transfer and exchange Bonds for the Bonds as requested by the Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever the Depository Trust Company requests the City and the Registrar to do so, the Registrar and the City will cooperate with the Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate Bonds evidencing the fully registered Bonds of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of Bonds for and evidencing the Bonds.

If the Bonds shall no longer be restricted to being registered in the name of the Depository Trust Company, the Registrar shall cause said Bonds to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such Bonds printed until it shall have received from the City indemnification for all costs and expenses associated with such printing.

Section 5. **Redemption**. Bonds maturing on or after a date specified in the Bond Order are subject to redemption prior to maturity at the option of the City as stated in the Bond Order.

For any such redemptions, unless waived by the registered owner of Bonds to be redeemed or the Bonds are in book entry format, in which case notice provisions will be the minimum required by the depository, official notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address as it appears on the registration books kept by the Bond Registrar or at such other address as is furnished in writing by such registered owner to the Bond Registrar. All official notices of redemption shall state:

(i) the redemption date;

(ii) the redemption price;

(iii) the identification by CUSIP numbers, if applicable, and maturity dates (and, in the case of partial redemption of Bonds within a maturity, the respective principal amounts) of the Bonds to be redeemed;

(iv) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;

(v) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Bond Registrar; and

(vi) such other information then required by custom, practice or industry standard.

The City may give conditional notice of redemption subject to the receipt of such moneys by the Bond Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds, and the Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed to any particular registered owner of a Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the Validity of any action taken in reliance upon such waiver. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds or portions being redeemed shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for the payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal, of like tenor, of authorized denominations, and bearing the same rate of interest.

If any Bond or portion of a Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal and premium, if any, shall, until paid or duly provided for, bear interest from the redemption date at the rate borne by the Bond or portion of a Bond so called for redemption. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

In addition to the foregoing notice, further notice shall be given by the Bond Registrar on behalf and at the expense of the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (a) the CUSIP numbers of all Bonds being redeemed; (b) the date of issue of the Bonds as originally issued; (c) the rate of interest borne by each Bond being redeemed; (d) the maturity date of each Bond being redeemed; and (e) any other descriptive information needed to identify accurately the Bonds being redeemed.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Section 6. **General Obligations**. The full faith and credit of the City are hereby irrevocably pledged to the punctual payment when due of the Bonds. The Bonds shall be direct and general obligations of the City shall be obligated to levy ad valorem taxes upon all the taxable property in the City for the payment of the Bonds according to their terms, without limitation as to rate or amount.

Re: Request to Negotiate Contract with Paramedic Billing Services

Last October, the City Administrator's Office and the Fire Department initiated a nationwide search for medical billing services. Through the request for qualifications (RFQ) process, the City received seven proposals from the following firms:

- BAYS RVP Billing and Consulting, LLC – Teaneck, NJ
- Medical Reimbursement Services – Mokena, IL
- Lowcountry Billing Services – Lexington, SC
- Intermedix Corporation – Columbus, OH
- Paramedic Services of Illinois, Inc. – Schiller Park, IL
- Paramedic Billing Services – Elmhurst, IL

The selection committee received the proposals November 17th and has thoroughly reviewed the submittals and checking references. Through several meetings of the ad-hoc committee, Paramedic Billing Services (PBS) has been identified to be the most qualified firm to service the City of Berwyn. Contributing factors to this decision include bi-lingual support in both Spanish and Polish, strong protections for patient privacy, opportunities for staff to participate in client education programming, and extremely confident recommendations from PBS's current clients.

The next step in this process will be for staff to sit down with Paramedic Billing Services and negotiate a contract. Upon review of the legal department, that contract will be brought in front of City Council for final approval.

Recommendation:
Authorize staff to negotiate a contract with Paramedic Billing Services.

Re: Honorable Mention for Platoon 1, Black Shift for actions at a fire 3252 S. Maple Ave., Berwyn
Informational Purposes

On January 7, 2015 at 01:05 a.m. the Berwyn Fire Department Platoon 1, Black shift, responded to a report of an apartment fire 3252 S. Maple Ave Berwyn, a 28 unit occupied apartment building. The fire had quickly taken over one apartment. Berwyn Police Officers did an excellent job rescuing a victim from the apartment of origin and evacuating the building. Command was established by Deputy Chief Tom Hayes, who did an excellent job. Emergency Medical Services were rendered to the victim that police removed from the apartment along with Officers that were injured during the incident. Both the Fire & Police worked under bitter cold weather conditions bringing this hectic situation under control.

I have issued certificates of Honorable Mention for Platoon 1 Black Shift in recognition for their bravery and outstanding performances while doing their job under the extreme conditions. The condition of the fire victim is in serious condition at Loyola burn unit.

Due to the quick actions of the Firefighters and Police Officers rescuing the victims, extinguishing the fire, and stopping the spread of the fire, only eight apartments in a 28 unit apartment building were displaced.

I would like to thank Mayor Lovero, and Members of the City Council for supporting us in our Mission of protecting the Citizens of Berwyn. We all should be proud of the members of the Berwyn Fire Department.

Respectfully submitted,

Denis O'Halloran

BRIEFLY DESCRIBE ACTIONS:

On Wednesday January 7, 2015 shortly after 01:00am the midnight shift responded to a call of a fire at 3252 S. Maple Ave. The apartment building consisted of 28 individual units, all of which had to be evacuated as firefighters fought the blaze. Members from all different branches of the midnight shift worked in concert to coordinate evacuation, transportation and warming facilities for displaced residents. Wind chills dipped to greater than 10 below zero during this incident which made working outdoors that much more difficult for all personnel on the scene, including Police Officers, CSOs, EMS and Firefighters.

Officer Juan Macias, Officer Robert Gordon, Officer Ross Failla,

Officer Chris Swiecionis, Officer Casey Stefano, Officer Nicholas Mantucca

ADDITIONAL DESCRIPTION OF ACTIONS:

Police reports will not accurately describe the conditions that our personnel were working under during this incident. The undocumented reports of police officers and community service officers offering up the warmth of their vehicles and their personal hats, gloves and jackets to freezing citizens, tear at your emotions and clearly show how much our employees care about those they serve. This call was a great example of team work among all of our midnight shift personnel. Some Officers took calls on the streets while others were assigned to the fire, some transported displaced citizens to warming centers, some supervised and assisted citizens in need and those brought into the station and some simply blocked intersections so the firefighters could do their job. What none of our personnel did that morning was place themselves first. From the first call into dispatch to the last car cleared from the scene; our emergency services dispatchers, police officers, supervisors and community service officers worked together as one unit toward the accomplishment of one goal. A goal I believe they achieved, therefore I would like to nominate all of our personnel who worked during the Maple Avenue fire call a Unit Commendation Award.
