Re: Permission to Remove Handicap Parking Signs 3123 Clarence
Permit #370

ITEM No. # 9
DATE 12/26/18
DISPOSITION
Defer 2 wks

Ladies and Gentlemen:

Handicap Parking signs were installed in front of 3123 in 2015. There currently is, and has been, a significant outstanding debt owed to the City of Berwyn. The current arrearage in the resident's water bill is more than \$4,000.00.

Revocation of the reserved parking space is warranted under City of Berwyn Codified Ordinances Section 484.05 B (3) Reservation of Street Parking for Persons With Disabilities. That section states that the applicant may not have "no outstanding debts with the city."

My office sent a letter to the resident in September, 2018 to advise that the renewal of the reserved parking space was suspended due to the amount owed on the resident's water bill. At the time of the letter, the resident owed the City of Berwyn \$4191.14. We requested at that time that the resident pay the amount in full or contact Mr. Benjamin Daish to set up a payment plan.

The resident made contact with Mr. Daish in September, 2018 and made a payment toward the indebtedness. The resident agreed to make additional payments. The resident has neglected to make any further payments. The current amount owed to the City of Berwyn is in the amount of \$4,223.93 as of today's date.

I respectfully request your authorization to send notice to the resident advising him of the final determination that the City will remove the signs previously allowed. The resident, by Ordinance, will then have 10 business days to submit a written objection to the reserved space sign removal. Signs will be removed if the objection is not received during the objection period. We will suspend removal and advise the resident to contact Mr. Daish to set up a payment plan. The signs will remain as long as payments toward the outstanding indebtedness are continuing.

This residence is located in Ward 2. Alderman Ramirez has been notified of this communication.

Very truly yours,

Margaret Paul

Re: Revised 2019 Schedule of Regular City Council Meetings for 2019

Ladies and Gentlemen:

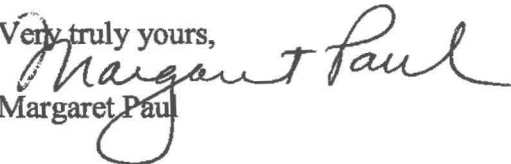

An error occurred in the listing of Regular Meeting dates scheduled for the Berwyn City Council. You approved the original list on October 23, 2018. That schedule showed the Tuesday, February 26, 2019 meeting moved to Wednesday, February 27, 2019. The reason for the move was the indicated as a need to use the Council Chambers for the "Consolidated Primary Election".

The date change for the Regular Meeting on Tuesday, February 26, 2019 was made in error. There are no "Consolidated Primary" election contests to be held in Berwyn on this date. The next scheduled election will not be held in Berwyn until April 2, 2019; a date which does not conflict with City Council meetings.

Please see an amended Schedule of Regular Meetings of the Berwyn City Council for Fiscal Year 2019 attached. Note that the City Council will meet on Monday, December 23, 2019 due to the closure of city offices on Tuesday, December 24, 2019.

I ask you to approve the revised meeting schedule for 2019 and allow me to post it as required.

Very truly yours,

Margaret Paul

RE: U.S. Department of Justice 2018 COPS Office STOP School Violence Prevention Program (SVPP)

Ladies and Gentlemen:

The Berwyn Police Department and J. Sterling Morton High School District 201 Board of Education have collaborated to receive a \$208,500.00 safety grant to improve security at Morton West High School. The police department took the lead in writing the grant proposal with the assistance of District 201.

The grant, funded by the United States Department of Justice 2018 COPS Office STOP School Violence Prevention Program (SVPP) will provide access controls for exterior and interior doors, as well as an enhanced emergency notification system in the building. The school district is required to provide a \$68,000 match to bring the total project amount to \$278,000.

The installation of these resources will significantly improve Morton West High School's current safety and security plan by decreasing police response time, decreasing the time to secure doors, increasing the capacity of staff to take trained action steps in the event of an emergency, and improving the emergency notification system in the school. Data will continue to be collected about the effectiveness of the new technology installed through this grant.

Since 2011, the Morton West High School administration, District 201 Board of Education and the City of Berwyn have collaborated to write a NIMS (National Incident Management System)-compliant School Emergency Operations and Crisis Response Plan. The plan was structured after a series of trainings to create an effective school emergency plan.

We look forward to working with School District 201 to ensure the safety of our students, staff and employees.

Please accept this correspondence as informational.
