BERWYN CITY COUNCIL  
MINUTES of the COMMITTEE OF THE WHOLE  
May 22, 2018

1. The Committee of the Whole was called to order at 7:00 p.m. The following Aldermen answered present: Lennon, Ramirez, Reardon, Fejt, Santoy, Ruiz, Avila, and Garcia. Mayor Lovero announced that the City would be joining other local municipalities in a legal action against opioid manufacturers and distributors. He then called on Alderman Ramirez to introduce the following agenda item for discussion:

2. **Follow-Up Conversation Regarding 4th of July Fireworks Issues:** Alderman Ramirez voiced his concern about the use of illegal fireworks within the city. Ramirez asked how the Aldermen could help the police enforce the fireworks ban. City Attorney Bertuca advised that he was working on an ordinance regarding the use of illegal fireworks in addition to state law already on the books.

Berwyn Police Department Commander O'Halloran was recognized. Commander O'Halloran advised the committee of the number of complaints the department receives regarding fireworks during the days surrounding the 4<sup>th</sup> of July. Extra officers are assigned to duty because of the volume of calls received during that period.

Commander O'Halloran stated that prosecution of a complaint is difficult. Many residents do not want to sign a complaint against their neighbors. Police may only issue tickets if they see the violation when there is no one willing to sign a complaint. Police officers observing violations impound the fireworks.

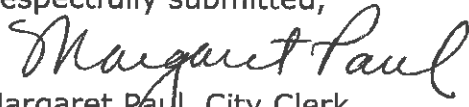

The Mayor recognized a resident in the audience who asked if residents could gather petition signatures regarding a particular neighbor's annual party that causes a disturbance. The Mayor answered in the affirmative and that a petition would normally require signatures of 51% of the neighbors on the block. He would ask the police to contact the offending neighbor if such a petition were received.

The Mayor advised that a Reverse-911 call would be going out advising residents about the city sanctioned fireworks display sponsored by Tom Benson, owner of The World's Greatest Laundromat. He would ask that the message include a statement about the city's prohibition on illegal fireworks.

Additional questions by Alderman ensued. Commander O'Halloran stated that Aldermen should advise residents to agree to sign complaints against those using illegal fireworks. Residents can advise the police that they will come into the station to sign complaints. They do not have to sign a complaint at the scene upon arrival of the police.

3. There being no further business before the committee, Alderman Lennon made the motion, seconded by Ruiz, to adjourn the Committee of the Whole. The motion passed by a unanimous voice vote adjourning the Committee of the Whole at 7:20 p.m.

Respectfully submitted,

  
Margaret Paul, City Clerk

Re: Prevailing Wage Ordinance

Ladies and Gentlemen:

The City Council annually approves the enactment of a Prevailing Wage Ordinance. Passage of the ordinance is required during the month of June. The City must publish a Notice of Adoption by the end of the month.

Please find the document titled An Ordinance Adopting the Prevailing Wage Standards for the City of Berwyn, Cook County, Illinois attached. The language of the ordinance is the same as those enacted in previous years and meets the requirements of the Illinois Prevailing Wage Act 820 ILCS 130/. A copy of the Prevailing Wage Rates for Cook County Effective September 1, 2017 is attached as Exhibit "A".

Upon adoption, the ordinance will be filed with the Illinois Department of Labor and a Notice of Adoption will be published in a local newspaper. Due to the cost of publication, the City historically has agreed to pay half of the expense with the remaining half divided between the Berwyn Public Health District and Berwyn Township.

I respectfully ask that the City Council concur and adopt the ordinance as presented.

Sincerely,

  
Margaret Paul, City Clerk

Re: Library Carpet Installation and Furniture Moving Services

The Berwyn Library is preparing to replace their flooring on the 1<sup>st</sup> floor with industrial carpeting. This installation requires the hiring of a contractor to remove the current tile/carpet, install new carpet, and coordinate with a furniture moving company to move the large shelving units. This project has been budgeted for under capital outlay line item # 5800. City administrative staff is prepared to go out to bid for both a moving company and a contractor for the flooring. We are seeking approval to publish the bid notice, review the sealed bids and bring a recommendation to a future council meeting. Per past protocol, staff will focus on cost and quality of services.

**Recommended Actions:**

**Approval to publish the sealed bid notice, review the bids and bring a recommendation to a future council meeting for approval for:**

**Re: Bid award for the repair of Library light pole bases**

During routine painting, library staff recently observed eight parking light pole bases in the library parking lot that are rusted to a point where they could fail in a strong wind. I spoke with engineers to ascertain the best cost effective method to address this safety concern. I immediately drafted a request for proposal and placed an ad for sealed bids. Since the rust was contained to the bottom few inches of the pole bases, the collective thought was to utilize steel sleeves that would cover the rusted areas to a point where the steel was intact. This method is similar to the one used to repair the structural supports at the Harlem train station.

We received two sealed bids – Grove Masonry Maintenance for \$10,800 and Complete Temperature Systems for \$9,700. Although they were \$1,100 lower in cost, the proposal submitted by Complete Temperature Systems was incomplete. In addition, they are not compliant with the Berwyn City Ordinance 17-22 e.g. OSHA training regarding this scope of service.

Grove Masonry did an excellent job with the same task at our Harlem train station and are compliant with our bidder ordinance 17-22. I therefore recommend that we award the bid to Grove Masonry Maintenance.

**Recommendation:**

Staff recommends the award of the Berwyn Public Library light pole repair in the amount of \$10,800 to Grove Masonry Maintenance.

**RE: Purchase of 4 New Vehicles**

Ladies and Gentlemen,

The Berwyn Police Department is requesting authorization to purchase three (3) 2018 Ford Explorers for the Patrol Division which will replace older vehicles in our fleet. We are also requesting the authorization to purchase a 2018 Ford Transit-250 for the Community Service Unit to replace an older Animal Control Van which will be removed from service due to its age & mileage.

The purchase of these vehicles is covered under the Suburban Purchasing Cooperative sponsored by the Northwest Municipal Conference. We are requesting your approval to waive the sealed bid process and accept the attached proposal from Currie Motors Frankfort Inc., at a cost of \$31,491.00 for each 2018 Ford Explorer and at a cost of \$25,641.00 for the 2018 Ford Transit for a total contract amount of \$120,114.00. Currie Motors is an approved vendor with the Suburban Purchasing Cooperative and is honoring the price from the 2016 Contract #148 which is a savings to us of \$35,294.00.

This expenditure is budgeted for in the police department capital expenditure account for this year.

Thank you for your consideration of this request.

## Performance

Performance predictions in this report represent an estimate of vehicle performance based on standard operating conditions. Variations in customer equipment, load configuration, ambient conditions, and/or operator driving techniques can cause significant variations in vehicle performance. These values are not representative of results that may be shown in actual dynamometer tests. This report should therefore be used as a guide for comparative vehicle performance.

Prices and content availability as shown are subject to change and should be treated as estimates only. Actual base vehicle, package and option pricing may vary from this estimate because of special local pricing, availability or pricing adjustments not reflected in the dealer's computer system. Re: Electronic Crash & Ticketing Software Program

Mayor and Members of the City Council:

The Berwyn Police Department applied for a grant through the Illinois Department of Transportation & the National Highway Safety Administration for the purchase of new lap top-tablet computers for our squad cars. We have been approved to receive \$57,280 which will allow us to purchase 11 new lap top tablets to replace our current inventory of ruggedized lap top computers, the oldest of which is 10 years old. A requirement of the grant is that now all auto accident reports must be filed electronically directly to IDOT.

Currently there is only one (1) IDOT approved vendor with electronic crash reporting software that has met all of the requirements as set forth by IDOT. QUICKET Solutions, Inc is the only vendor at this time that has been approved by IDOT and offers both electronic crash & electronic ticketing software called eCrash & eCitation. The eCitation solution will be able to manage our Cook County Traffic Citations, Police Department Compliance Citations, City of Berwyn Local Ordinance Citations, and Parking Tickets. This product also has a component that allows us to file our required IDOT Traffic – Pedestrian Stop data directly with IDOT. This software platform also has an analytics component that provides a greater level of reporting, tracking, and statistical information than we currently have.

We have met with QUICKET Solutions who have come in and demonstrated their software solution for our command staff. We have also visited with another local police jurisdiction that is currently using this this product and they have provided a positive recommendation. That jurisdiction is also in our Cook County Court District which has proven to be a successful transition for the Cook County Traffic Citations.

We will be phasing this procurement in over the course of the next 4-6 months with the eCrash reporting solution first and then transitioning into eCitation. This system also has an Adjudication module which includes and automates the notification process, provides a payment portal, and additional management tools for tracking and reporting.

City Council, QUICKET Solutions Inc.

QUICKET Solutions, Inc provides their software solution under a month to month lease program and allows for a 90 day notice to terminate lease at any time. The lease agreement is not only for software but hardware as, well being mobile printers that are needed in each of the squad cars. We feel the lease option is better suited for our needs especially on the hardware side as that equipment is subjected to wear and tear and under the lease program that equipment will be replaced for normal wear as opposed to having to continue to buy new hardware.

We are respectfully requesting council approval to waive the bid process as QUICKET Solutions is the only IDOT approved vendor at this time, and authorize the police department to enter into an agreement with QUICKET Solutions, Inc pending legal review of the Master Software Service Agreement. The total cost of the contract is \$43,879.00 with the initial \$27,075 due at contract signing.

This procurement is incorporated in the police department operating budget for 2018 and the initial costs will be spread out over the next several months.

Respectfully,

A handwritten signature in black ink, appearing to read "T. J. O'Halloran".

### **692.04 – Exception – Supervised Public Displays of Fireworks**

A. The Mayor and the Aldermen of the City of Berwyn shall have the power to adopt reasonable rules and regulations for the granting of permits for supervised public displays of fireworks. Every such display shall be handled by a competent individual designated by the Mayor and shall be of such a character and so located, discharged or fired, as not to be hazardous to property or endanger any person or persons. Application for permits shall be made in writing to the Mayor at least fifteen (15) days in advance of the date of the display. After such privilege shall have been granted, possession and use of fireworks for such display shall be lawful for that purpose only. No permit herein granted shall be transferable.

Honorable Mayor Robert Lovero and  
Berwyn City Council Members

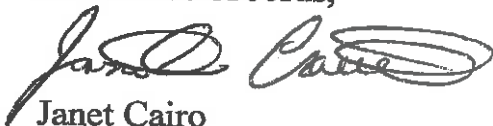

Dedicated to Youth Ministries is requesting permission to host its 6<sup>th</sup> annual G.L.O.B.E. (God's Love Over Berwyn Ephesians 5:1-2) Music and Arts Festival at Janura Park on Sunday, August 12<sup>th</sup> from noon till 8 p.m. This event is a free, all age, family outreach event with a mission to bring more of God's love to the people in the city and to promote families spending quality time together.

The event will consist of several Christian worship bands, a children's tent with live music and children's activities, carnival games, a bouncy house, a petting zoo, pony rides and a train ride. We will set up several tents for prayer, general information on our ministry, concessions and an artisan display of visual artwork. The churches and Christian ministries that participate will also be invited to set up tents to provide general information.

This event has been a blessing to the families in the community for the last five years and we are honored to have the opportunity to host it again this year. Last year, approximately 700 people from the Berwyn area attended the event and several area churches participated and volunteered with us. We take full responsibility for set up prior to the event and clean up after the event.

We are in the process of preparing our fundraising and marketing efforts for this event. We look forward to hearing your response.

In the love of Jesus,

Janet Cairo
