2018 PROPOSED BUDGET AND APPROPRIATION ORDINANCE

1. City Clerk Margaret Paul called the Public Hearing for the 2018 Proposed Budget and Appropriation Ordinance to order at 5:45 p.m. The Pledge of Allegiance was recited. The following city Officials and department heads were in attendance: Mayor Lovero, Ald. Lennon, Ald. Reardon, Ald. Fejt, Ald. Santoy, Ald. Avila, City Adm. Brian Pabst, Asst. City Adm. Volbre, City Attorney Bertuca, Finance Dir. Jones, Asst. Finance Dir. Daish, Public Works Dir. Schiller, IT Dir. Frank, and Deputy Clerk Sandra Anderson.
2. Clerk Paul read the legal notice into the record and presented an Affidavit of Certification of Publication dated March 15, 2018. Copies of the proposed 2018 Budget and Appropriations Ordinance were available for the public.
3. Clerk Paul recognized Finance Director Jones and Asst. Finance Director Daish who presented the proposed 2018 Budget and Appropriation Ordinance for the City of Berwyn. Their comments were underscored by a Power Point presentation entitled A Summary of City-wide Funds, a copy of which was not provided at the time to those present.

Note: Alderman Garcia arrived at 6:00 p.m. and Alderman Ruiz arrived at 6:05 p.m.

4. Comments and Discussion: Ald. Santoy asked Mr. Jones to comment on the non-personnel budgetary reductions requested to be made by all city departments. Mr. Rasheed explained that all department heads were asked to reduce budgets by 5%. Ald. Reardon asked if the 5% came off the actual projected budget expenditures rather than the 2017 budget number. Mr. Rasheed answered that the 5% came off the 2017 budget numbers. Ald. Avila asked about the financial impact of the sale of MacNeal Hospital to Loyal. Mayor Lovero commented on the information received so far from Loyola and the analysis need to be done to determine the financial impact. He reported that the tax revenue would not be lost as the residents would be forced to pay increased taxes to make up the difference lost by the Loyola purchase. Ald. Reardon asked about the City's "net position" referencing the 2015 CAFR report. Discussion ensued. Ald. Reardon expressed concern regarding the volatility of revenue, continuing debt because of pension obligations and reliance on bond proceeds which are subject to bond ratings. The Mayor requested suggestions on improving revenue and stated that he welcomed comments on ways to improve revenue. Ald. Avila commented on Tony's Finer Foods, its relocation to Berwyn, and hoped for revenue. Ald. Lennon asked about Red Light camera

revenue and the potential loss of revenue from the Harlem/Cermak intersection construction. Public Works Director Schiller provided information on the State's tentative plans. Discussion continued regarding cameras, their purpose, the camera program and the fair adjudication of fines. Mayor Lovero and Mr. Rasheed commented on the loss of revenue due to State of Illinois actions impacting Berwyn finances i.e. 10% State Income tax.

5. The Clerk then asked for questions and/or comments from the general public. Mayor Lovero recognized Ms. Julia McAleer-Forte who commented on the 2019 financial impact of the MacNeal sale and a feeling that the cuts in the 2018 budget would be insufficient and thereby impose a critical financial impact on residents. Discussion ensued.

5. There being no further comments or discussions, the Public Hearing was adjourned at the hour of 6:15 p.m.

Ald. Ruiz also questioned the relocation of cars along the route. Mr. Simola advised that no parking could be allowed along the route and identified Morton West High School and the Berwyn VFW for resident parking during the event. Organizers would provide "Type III barricades" and notify residents of the street closures and that cars remaining would be towed prior to the start of the event if not moved. Discussion ensued. Mayor Lovero called for a Straw Poll to gauge the Council's willingness to approve the event and give some direction to Mr. Vallez. All Aldermen voted in favor of the event.
3. **Health Insurance Renewal:** Mayor Lovero recognized Mr. Phil Toca, a representative from Berwyn Insurance & Financial Services, who presented information regarding rates received for the renewal of the health, dental and vision insurance contracts for City employees. Re: Consideration for Loan Approval—3D Collision Repair, Inc.

Dear Mayor and Members of the City Council,

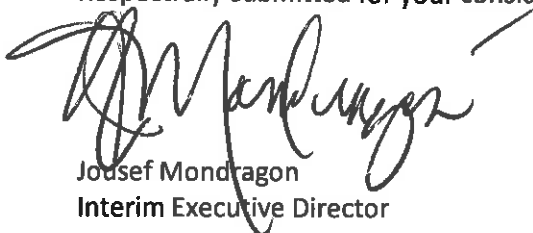

The Berwyn Development Corporation's Board of Directors and Commercial Loan Commission have provided a recommendation in favor of a new loan for 3D Collision Repair. Loan proceeds are for the acquisition of the building located at 6236 Ogden Avenue. They currently lease this property for some of their operations, but are looking to purchase it in order to remodel the entire frontage of their business.

3D Collision has been a fixture on Ogden Avenue, serving Berwyn for over 20 years. It is their hope that gaining ownership of this property will allow them to remodel their facility and contribute to redevelopment and beautification efforts that are occurring along the Ogden Avenue Corridor.

The request is for \$517,500 which would be used for acquiring the building at 6236 Ogden Avenue. The property appraised for \$615,000 as is which allows for a great loan to value ratio. The business has the needed funds for the remainder of the purchase and will use additional owner equity to cover renovation costs. These funds have been verified by the BDC. The Berwyn Development Corporation has reviewed the financial history of the business partners, credit rating, and property appraisal as part of the loan application review process. Additionally, the Loan Commission reviewed the debt service ratio to ensure the ability to repay the loan based on the submitted business plan. 3D Collision also currently has a loan with the BDC and has never had issues with payments.

The recommended terms of the application is a five (5) year commercial loan, priced at BDC prime rate plus 2; with a floor of 6% APR which is adjusted annually and amortized over a twenty (20) year period. The collateral for the loan is the property of 6236 Ogden Avenue, Berwyn, IL, personal guarantees of the business owner, and security interest on any business assets. Based on the performance of the Borrower, this loan would be eligible for loan renewal(s) up to the 20 year amortization. The BDC would have special legal counsel draft the needed loan documents for the protection of the City and BDC.

Respectfully submitted for your consideration,

Josef Mondragon
Interim Executive Director

Re: Public Works Priority Project List

Mr. Mayor and Fellow Aldermen,

At a City Council meeting in the recent past, Public Works Director Robert Schiller, indicated that he would compile and present a list of city-wide projects his department was planning. I believe his comments were made during the time we were discussing water rate increases.

Mayor Lovero asked us to recommend suggestions as to where our budget costs could be reduced in the face of the upcoming reductions in tax revenue. Knowing the short and long term projects facing the City in the Public Works Department, as well as in other departments, is an important step in fashioning thoughtful suggestions.

Therefore, I respectfully request that the members of the Public Works, Parking, Trees, Traffic, Streets and Sewers Committee meet with Director Schiller to discuss the department's short and long term project goals and present the department's compiled list of prioritized projects to us at a Committee of the Whole meeting in the near future.

I ask that this request be referred to the Public Works, Parking, Trees, Traffic, Streets and Sewers Committee.

Sincerely,

Re: Purchase of 1 New 2018 E450 Wheeled Coach Type 111 Ambulances

The purpose of this communication is to seek permission to proceed with the purchase of one new ambulance to replace one 2013 ambulance in our existing fleet through a lease purchase agreement. If the City Council permission is granted, this purchase would remain consistent with our department's goal of replacing our ambulances approximately every five (5) years. Due to the recent budget cuts, I am only purchasing one this year and planning for one next year. The 2018 Wheel Coach ambulance cost \$175,811.00. I am seeking approval to enter into a lease purchase agreement with REV Financial Services for 3 years with six semiannual payments of \$32,303.84. The yearly leasing cost has been planned for and is included in the 2018 Budget.

If approved, this purchase would fall under a joint purchase agreement negotiated between the City of Chicago and Wheeled Coach (Winter Park, FL), which would allow the City of Berwyn to receive this price for one 2018 E-450 Type III Ford gas modular ambulance. We would be using the Joint Purchasing Act, 30 ILCS 525.

The semiannual lease payment (5.72% interest) for the 2018 budget line item would be \$32,303.84. Three different leasing companies and options from each company were discussed

with the Finance Director. Subsequently, it was mutually agreed to move with REV Financial Services' proposal as the best option for the City.

For the purpose of fleet consistency and past experience with this company, I would recommend proceeding with this purchase. I am also asking City Council to approve repurposing one used ambulance and transferring it to public works.

Re: 1345 East Avenue / Demolition and Re-build

Mayor and City Council,

The above referenced property is currently legally non-conforming as it is a 25' lot, the structure is located on the back of the lot, and it is a two unit located in an R-1 Single Family Residence District. In accordance with our current zoning ordinance the owner would like to demolish the structure and rebuild a new single family home on the front of the lot. According to the ordinance side yard set-backs should be a minimum of ten percent of the width of the lot, however in this situation (25' lot) the side yard set-back will be three feet, all other set-backs will be according to ordinance. Your consideration in this matter is greatly appreciated.

Thank You,

Charles D. Lazzara

NORTH BERWYN PARK DISTRICT

The Honorable
Robert J. Lovero
Mayor

City Council

City of Berwyn
6700 26th Street
Berwyn, IL 60402

Subject: North Berwyn Park District 5K Run – Saturday, August 18, 2018

Dear Mayor Lovero and City Council:

The North Berwyn Park District provides outstanding recreation and leisure services to the residents of the City of Berwyn. It is the goal of the North Berwyn Park District to improve the quality of life for all that participate in our activities.

The North Berwyn Park District respectfully requests approval from the Berwyn City Council to conduct a 5K CARA certified run and one mile family walk through the streets of Berwyn. This event would require the temporary closure of select streets along the run/walk route. The closures would be approximately 60 minutes for the 5K run and the one mile walk.

Enclosed is a map detailing both the run and walk routes. Please be advised the 5K route is being conducted on 16th, East, Cermak, Riverside Drive and Home streets, these streets will be opened immediately after the last runner passes through the route. The family walk is being conducted on interior less traveled streets with both routes ending on 16th and Wesley.

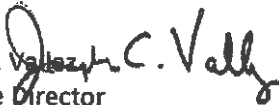

The park district has met with the Berwyn Police, Public Works, Fire Department and Mayor's office to coordinate the logistics of this event. It is our goal to conduct this event with the quality and consideration of all events coordinated by the North Berwyn Park District.

We believe this event will be another reason people look to Berwyn as a place to reside, open a business and call home. We hope our local businesses see significant increases in revenue from activities associated with the 5K run and family walk.

Please feel free to contact me with any questions you may have regarding this request.

Sincerely

Joseph C. Valdez
Executive Director
North Berwyn Park District

2018 Berwyn 5K Run & Walk
