Re: Adoption of a **RESOLUTION RELATING TO PARTICIPATING BY ELECTED OFFICIALS IN THE ILLINOIS MUNICIPAL RETIREMENT FUND**

Dear Mayor and Council Members:

Attached, please find a resolution titled: A RESOLUTION TO PARTICIPATE BY ELECTED OFFICIALS IN THE ILLINOIS MUNICIPAL RETIREMENT FUND. The format of the resolution was suggested by the Illinois Municipal Retirement Fund (IMRF).

IMRF adopted new rules in 2017 requiring participating local governments to be "recertified" every two years. This resolution must be adopted and filed with the IMRF before September 1, 2017. Failure to adopt the Resolution or file by the deadline will result in program termination.

Authorization for Berwyn elected officials to participate in IMRF was passed at various times. The City of Berwyn's participation level requires elected officials to normally perform duties of their offices for 1,000 hours per year for participation eligibility.

I am also attaching a copy of an article that appeared in the July issue of the Illinois Municipal Review (pages 26-27). The article explains the necessity of the Resolution.

The IMRF has conducted time audits in the past to assure that elected officials participating in the plan do, in fact, perform duties at the 1,000 hour/year requirement.

Very truly yours,

Margaret Paul

IMRF's Recertification Requirements for Local Government Officials

BY JOHN KRUPA, COMMUNICATIONS MANAGER, IMRF

Earlier this year, the Board of Trustees of the Oak Brook-based Illinois Municipal Retirement Fund (IMRF) adopted Board Resolution 2017-02-13. Announced to employers in Special Memo 337, this resolution requires all IMRF members in elected positions to recertify IMRF eligibility every two years.

To maintain IMRF eligibility, the resolution requires all governing bodies of units of government participating in IMRF to re-affirm that their elected positions (including mayor, trustee, clerk and coroner) meet the hourly standards – either 600 or 1,000 hours per year. This requirement also applies to members of appointed governing bodies, such as trustees of sanitary districts. **Failure to recertify will end IMRF eligibility for any elected or appointed position not recertified.**

Hours spent at meetings, preparing for meetings, in the office, and conferring with constituents **are counted** as performance of duty and may be included in IMRF's 600 or 1,000 hourly standard. Hours spent on-call or informally available to constituents **do not count** as performance of duty and are not included in the IMRF hourly standard. The IMRF Board adopted this new rule for elected positions for two primary reasons:

1. The recertification process will give governing bodies the opportunity to review IMRF's eligibility rules. The hours of duty of an elected position can – and do – change over time as technology and legal requirements evolve. Reviewing the requirements of elected positions

will ultimately aid units of government with compliance and avoid costly mistakes in enrollment.

2. Recertification will streamline IMRF's audit process. IMRF's auditors will be able to rely on the accuracy of the recertification without requiring additional documentation.

According to IMRF General Counsel Kathy O'Brien, many of the elected official certifications currently on file with IMRF date back to the 1980s. As governing body membership changes regularly, this new resolution is an opportunity for elected officials to discuss IMRF participation requirements. In the past, IMRF required no recertification of eligibility for elected positions – if the governing body adopted a resolution for an elected position, anyone holding that position could participate in IMRF, regardless of the date the resolution was passed. Many times it was inferred that the required hours were "grandfathered in" and did not change over time.

After IMRF began conducting employer audits, it became clear that many resolutions for elected positions on file with IMRF were no longer accurate statements of the hours actually required for the position.

To comply with IMRF's Board Resolution 2017-02-13, participating employers are required to create a resolution for a governing board or council to approve. The recertifying resolution must be passed by the governing body before

- September 1, 2017, regardless of the date of any previously passed IMRF resolution that may be on file.

The governing body may use IMRF Form 6.64, "A Resolution Relating to Participation by Elected Officials in The Illinois Municipal Retirement Fund" (available for download at IMRF's website, www.imrf.org), or the governing body may draft and adopt its own resolution that is consistent with IMRF Form 6.64. After the resolution is adopted, it must be filed with IMRF.

The process of recertifying and filing the resolution should take place every two years. *Failure to recertify will end IMRF eligibility for any elected or appointed position not recertified.*

What is IMRF?

IMRF — the Illinois Municipal Retirement Fund — was created in 1939 by the Illinois General Assembly as the administrator of an agent multiple-employer retirement system. In 1941, the fund officially began operations with just five employers and a U.S. Treasury Bond valued at \$5,000. At year-end 2016, the Fund served 2,987 different units of government including towns and villages, libraries and park districts, and counties and school districts (non-teaching personnel); 175,019 participating members; 123,206 benefit recipients; and 112,604 inactive members.

IMRF is governed by Article 7 of the Illinois Pension Code and is neither funded nor managed by the state. IMRF has \$36.8 billion in assets, and is 88.3% funded on a market basis. IMRF is the second-largest—and best funded—statewide, public pension system in Illinois.

§ 825.01 LEGISLATIVE FINDINGS AND DECLARATION.

The Mayor and City Council expressly find and declare that:

- (A) Cigarette smoking is dangerous to human health;
- (B) There exists substantial scientific evidence that the use of tobacco products causes cancer, heart disease and various other medical disorders;

(E) The National Institute on Drug Abuse found that cigarette smoking precedes and may be predictive of adolescent illicit drug use;

(F) The present legislative scheme of prohibiting sales of tobacco products to persons under the age of 21 has proven ineffective in preventing the persons from using tobacco products; and

(G) The enactment of this chapter directly pertains to and is in furtherance of the health, welfare, safety and morals of the residents of the city, particularly those residents under 18-21 years of age.

(Ord. 95-34, passed 10-24-1995)

For purposes of this chapter, the term "tobacco product" excludes any product that has been specifically approved by the United States Food and Drug Administration for sale as a tobacco cessation product or for other medical purposes, where such product is marketed and sold solely for such an approved purpose.

VENDING MACHINE. Any mechanical, electric or electronic self-service device which, upon the insertion of money, tokens or any other form of payment, dispenses tobacco products.

(B) Application for a license hereunder shall be made in writing to the City Collector and shall be processed in accordance with the provisions of Chapter 801.

(Ord. 95-34, passed 10-24-1995)

§ 825.04 LICENSE FEE.

The license fee for a tobacco dealer's license shall be as set forth in § 801.13(V).

Subject: Food Trucks

Dear Mayor and Members of the City Council:

I have attached a copy of a communication from former 8th Ward Alderman Nora Laureto in reference to Food Trucks. There was discussion during Committee of the Whole on August 23, 2016 and at that time the City would conduct more research to prepare an ordinance addressing and allowing food service trucks and limiting to special events. I continue to get approached by business owners and event coordinators.

At this time, I am requesting to refer this back to our current City Council for discussion during our next Committee of the Whole. I would also ask that we invite Elizabeth Pechous and or Nona Chapman from our Berwyn Township/Health District to the meeting.

Thank you,

SUBJECT: Food Trucks

Dear Mayor and Members of the City Council:

I have attached to this communication a copy of Oak Park's Temporary Food Permit. I have been asked by several music venues on Roosevelt Road recently if the city allows food trucks. The Oak Park permit is obtained through the Department of Public Health. Is this something that the Berwyn Township Health Department should be permitting or the City? I would like to refer this information for discussion at our next Committee of the Whole. I would also ask that we invite Elizabeth Pechous from the Township to the meeting.

Thank you,

**MINUTES
BERWYN CITY COUNCIL
COMMITTEE OF THE WHOLE
August 23, 2016**

1. Mayor Lovero called the Committee of the Whole to order at 7:00 p.m.; upon the call of the roll the following responded present: Chapman, Boyajian, Paul, Fejt, Santoy, Polashek, Avila and Laureto. Absent: None.
2. Review communication regarding Food Trucks from 8th Ward Alderman Laureto. The Mayor stated once again, that he would not be in favor of allowing food trucks in Berwyn on a regular basis, but is in favor of allowing on a temporary basis for festivals and events. Alderman Laureto noted that this was brought to her attention by several business owners on Roosevelt Road that would like to be able to have food trucks for events. The Mayor recognized Elizabeth Pechous, President of the Berwyn Township Public Health District who noted the problem with regulating and monitoring any food trucks licensed in Berwyn. The Mayor noted that the City would most likely only allow those already registered and licensed in Chicago and or perhaps Oak Park or other communities that currently issue Food Service Licenses to food trucks. Discussion ensued regarding the Berwyn Township Public Health District issuing temporary food service permits, as they currently do for special events and festivals. Pechous stated that would not be a problem to issue and monitor much like the Health District does already for City approved events. Discussion continued on allowing on a regular basis or limiting to special events, with the council in leaning in favor of only special events. The Mayor stated the City will do some more research to prepare an ordinance addressing and allowing food service trucks and limiting them to special events.
3. The Mayor asked if there were any questions on tonight's agenda items. There being none, the Mayor recognized Clerk Pavlik who brought a last minute request from the residents of the 1900 block of Clinton requesting to hold a block garage sale on September 10th and 11th, 2016, which is prior to the next time the council meets. Pavlik requested to grant them permission and to place the item on the next council meeting consent agenda, after the fact, to officially approve, noting that they are requesting special permission to hold on their front lawns. Brief discussion ensued regarding the history and wishes of council on allowing block garage sales on front lawns. Thereafter, the Mayor asked for a consensus to grant permission, with council 8-0 in favor.
4. The Mayor recognized City Attorney Anthony Bertuca who informed council of the legal matter of Woods v. Hamilton and the City of Berwyn has been dismissed.

Memo

July 20, 2017

To: Honorable Mayor Robert Lovero

Members of City Council

From: Chief Denis O'Halloran

Subject: Request to Declare the 1996 Ford E-350 ESDA Bus as Surplus

The City of Berwyn has budgeted for a new bus to be used by the Emergency Service and Disaster Agency. This bus will replace a 1996 Ford E-350 ESDA bus which is housed at the North Firehouse (902). The 1996 Ford bus is no longer functional and due to the high costs of repairs, this vehicle can no longer serve the City of Berwyn. Currently, we are working with a vendor to price a new bus for ESDA. Therefore, I respectfully request to have the 1996 Ford E-350 bus declared as surplus.

The Fire Department has done its due diligence and the vehicle is too costly to repair and is not safe to transport residents or personnel. The Fire Department will use this vehicle to perform extrication training. The vehicle will be demolished during this training. However, ESDA personnel will strip all useful emergency lighting and radios from the bus prior to the extrication training.

Respectfully submitted,

Denis O'Halloran

RE: Touch a Truck Event, August 5th

Dear Ms. Guerrier,

We are organizing our 3rd annual Touch a Truck, free community event **Saturday, August 5, between 11am-2pm at North Riverside Park Mall** located in North Riverside, IL. We are looking to bring families together and create a fun and safe event where children ages 2-12 can climb, play and experience trucks such as snow plows, fire engines, police cars, big rigs and more. In addition kids and families will have an opportunity to meet police officers, firemen, construction workers and public service officials.

Our current list of participants include the North Riverside Police Department, Fire Department, MacNeal Hospital and other local vendors and services. Last year we had over 1,000 people attend the event from various surrounding neighborhoods of North Riverside, Berwyn, Cicero, and Chicago. As most of our shoppers come from Berwyn, it would be great to have Berwyn Fire Department presence at the event.

When: Saturday August 6th, 11am-2pm

Where: North Riverside Park Mall, 7501 W Cermak Road, North Riverside IL 60546

Please let me know if you would be able to participate in the event.

Thank you,

Lidia Darkova

Honorable Mayor Robert J. Lovero
Mr. Tony Martinucci

Dear Mayor Lovero and Mr. Martinucci:

We are finalizing the details for our 5th annual **G.L.O.B.E. Music and Arts Festival**, a **FREE**, all age, citywide family fun event, being held once again this year at Janura Park, located at 28th and East Avenue in Berwyn on Sunday, August 13th from noon till 8pm. The name **G.L.O.B.E** stands for "**God's Love Over Berwyn Ephesians 5:1-2**". The mission is to bring the gift of God's unconditional love to the families of Berwyn that will allow them to experience the love of God through the various art forms of music (live bands), drama, dance and visual arts. We will also have great activities for the children including a petting zoo, train ride, carnival games, bouncy houses and face painting. This event has been well received over the years and the average attendance throughout the day has been several hundred people.

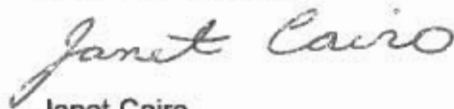

This year we booked a bigger pop rock Christian band to headline the festival. This band is from the Chicago area and played at The Nite Light Café many years ago when they began their journey. Given that they are from the local area, and that their songs are played on Christian radio, this band could potentially bring several hundred more people to the festival this year.

This is an alcohol-free, all Christian event, and while we do not foresee any issues occurring, we want to make sure we have adequate security coverage in order to accommodate for the potential bigger attendance. The band would be performing around 7pm for approximately 1 hour.

Please let me know if we will need additional security at this event and if so, would you kindly direct me to who I should contact.

Thank you for your attention and assistance in this matter.

In the love of Jesus,

Janet Cairo
Pastor and Executive Director

Dear Mayor Lovero,

I am writing to request approval for our annual Berwyn-Cicero-Stickney CROP Hunger Walk. This year will mark our 28th annual walk, raising funds for hunger relief efforts locally and worldwide. 25% of the funds raised will stay local (with 2% going to the St. Leonard's Food Pantry, and 23% going to the Cicero-Berwyn-Stickney Anti-Hunger Foundation, which is annually ranked among the highest-volume food banks in all of Illinois.) 75% of the funds raised will go to Church World Service and their partners to assist with their worldwide hunger relief and disaster response efforts.

This year we plan to raise \$10,000 from area churches with 150-200 participants (adults as well as supervised children).

The planned route will be exactly the same as last year:

Starting and ending Host Church:
Faith Community Reformed Church
6825 West 40th Street
Stickney

Alternate route for Trinity Walkers Ending at:
Trinity Community Church
7022 Riverside Drive
Berwyn

This year's walk will be held Sunday, October 22th, at 1:30 pm with registration at 1:00 pm.

Dear Friend:

Misericordia is already planning for our Annual Misericordia/Jelly Belly Candy Days tag day fundraising event for next year. **The dates for 2018 are Friday and Saturday, April 27 and 28.** This letter is to provide you with advance notice of our upcoming fundraiser. Our official letter of request will be sent in late November.

As you know, each year our volunteers collect in street intersections and in front of heavy pedestrian walkways or stores and businesses, distributing tags and packets of Jelly Belly Candy while collecting donations.

We assure you that this tag day fundraiser makes a difference in the lives of the 600 children and adults who call Misericordia "Home", as the funds we receive from the State cover only a portion of our program costs. This year we must raise \$15 million to cover the cost of programs that are not reimbursed.

We believe that our residents can achieve, and we believe in the compassionate and generous people who share our mission. For many, a first visit to Misericordia is an eye-opening experience – from programs that provide independent living and work opportunities for our residents to round-the-clock care at the Mother McAuley Skilled Nursing Residence. We provide a full continuum of care and quality programs to meet the individual needs of all those who call Misericordia home.

If you need more information or have any questions, please contact Misericordia at 773-273-4189 or email mam1955@att.net or nancy.turvy@misericordia.com.

For your belief in Misericordia, for your past assistance, and your consideration of this request, we are most grateful. God's blessings on you and yours.

Sincerely,

Sister Rosemary Connelly, R.S.M.
