Re: **Purchase of Ford E350 Van for Recreation Department**

The Recreation Department has historically used the Police Explorer passenger van for day camp purposes during the summer months. Due to the exciting rise in Police Explorer participation and programming, it is no longer feasible for the two departments to share the van.

In an effort to mitigate the expense of a new van, staff initiated an exhaustive search for a used, high quality passenger van. Joe Rizza Ford was able to provide an exemplary vehicle at a reasonable price. Attached to this memo, please find the price quote for a 2010 Ford E350 Super Duty Van.

Due to the nature of purchasing used vehicles, it is nearly impossible to find exact cost comparisons between competing vendors. In order to ensure a fiscally responsible decision, staff used the industry leading Kelly Blue Book to determine value. The provided Kelly Blue Book Value report places a similar vehicle at a cost of \$17,990 however staff was able to negotiate the total price down to \$16,694; a savings of \$1,296. In addition to the cost savings, staff negotiated a 7-year/100,000-mile power train warranty as well as a 12-month/12,000-mile comprehensive warranty. The van is being offered through the manufacturer as a certified pre-owned vehicle.

Joe Rizza Ford advised that they may not be able to hold the vehicle. Therefore, I am requesting immediate approval. The monies are budgeted in the Recreation Department capital line item.

Recommendation:

Approve the purchase of a Ford E350 van from Rizza Ford in the amount \$16,694.

Respectfully submitted,

Evan K. Summers
Assistant City Administrator

Comments: There is a large no parking area at the corner located approximately 70 feet from the applicant's front walk. This would be a preferred dropoff/pick up location when assistance is available.

Handicapped Space/Zone Traffic Engineer Site Inspection

Application # 885

Traffic Engineer or Designee Nicole Campbell

Comments: Had recommended that the resident coordinates with the bus to use the 100' of yellow curb located at the corner. Allowing a drop off would have the vehicle stopped in through traffic and create an unsafe and congested condition. The applicant stated that the bus does use the yellow curbed zone but a drop-off in-front of the house would be helpful when the daughter does not have assistance. I told the applicant that if this causes issues the drop off would be reassessed, and this was acceptable by the applicant.

Meets Traffic Criteria for:

Parking Space	Yes	0	No	X
Parking Zone	Yes	X	No	0

I am applying for a handicap parking in front of my house because it is very difficult for me to walk far and the parking on my block has become a big problem. Honorable Mayor Robert Lovero and
Berwyn City Council Members

Dedicated to Youth Ministries is requesting permission to host its 3rd annual G.L.O.B.E. (God's Love Over Berwyn Ephesians 5:1-2) Music and Arts Picnic in the Park festival at Janura Park on Sunday, August 17th from noon till 8 p.m. This event is a free all ages family outreach event with a mission to bring more of God's love to the people in the city. The event will be held from noon till 8:00 pm and will consist of several Christian worship bands, praise dancers, carnival games and a bouncy house for the children, and a petting zoo. We will set up several tents for prayer, general information on our ministry, concessions and an artisan display of visual artwork. The churches and Christian ministries that participate will also be invited to set up tents to provide general information.

This event has been a blessing to the community for the last two years and we are honored to have the opportunity to host it again this year. Last year, approximately 250 people from the Berwyn area attended the event and several area churches participated and volunteered with us. We take full responsibility for set up prior to the event and clean up after the event.

We are in the process of preparing our fundraising and marketing efforts for this event. We look forward to hearing your response.

In the love of Jesus,

Janet Cairo
Executive Director

To The City of Berwyn Board,

May 21, 2014

We, The Chicago International Christian Church, are requesting permission to fundraise on traffic corners in the City of Berwyn. The purpose is for local youth from Cook County and our surrounding areas, including Berwyn, to raise money for leadership training. We have an annual Global Leadership Conference in Desert Springs, Palm Desert, CA August 10-12, 2014. Our local Chicago congregation, along with our extended churches around the world, serve as a catapult for training youth with the faith based skills to have a positive impact on both a global and local scale. Youth and members within our churches are taught and trained how to be leaders in their communities by being more responsible and constructive citizens, developing strong moral character, and learning how to help build family and influence other youth to do the same.

The fundraising events would be an activity of the Chicago International Christian Church, established in 2006. We currently have a local congregation of 196 members who reside in Cook County and surrounding areas. We currently have 5 key members of good standing who reside in the City of Berwyn, myself and my husband included. Members of our congregation are actively committed to helping impact both youth and others in Berwyn and surrounding areas in a positive, caring way with the goal of inspiring them to also become a part of a vision to influence our communities and the world in great ways.

We are requesting the City of Berwyn to allow us a specific date for fundraising on two street intersections of Berwyn. In our previous experiences, busier street corners allow for maximum fundraising. Would you please consider the following street intersections; Ogden and Oak Park, and Ogden and Cermak. Would you also please consider the following Saturday of 2014; June 7th, from 9am to 6pm. We anticipate between 40-70 of our members ages 16 & up to participate in these fundraising events.

We have included proof of liability insurance for all members of our congregation and registration with the Illinois Attorney General as a charitable organization. A non-profit 501 C # from the Internal Revenue Service or any further information is also available upon request. It may also be helpful to know that we have numerous previous experiences since 2011 performing these street intersection fundraisers in the Chicagoland area and follow diligent safety measures, including using bright safety vests, to keep both our fundraisers and drivers safe. One of our members, Chris Wooden, is a retired Chicago Police Officer with several years of experience as head of security, and teaches a class to those attending the fundraising event about proper safety precautions.

Thank You in advance for your time and consideration, and for the previous opportunities to allow us to fundraise in Berwyn.
