Re: Commercial Loan Program – Renewal of Bank Participation, North
Community Bank and AztecAmerica Bank

Dear Mayor and City Council,

The commercial loan program is set-up by local Ordinance to have seven financial institutions in the program for a total pool of \$4,200,000 in funds plus the local fund which currently has assets totaling \$800,000. The BDC administers and monitors the loan program; therefore, has worked on the renewal of expiring notes with North Community Bank (a successor by Merger to MetroBank) and AztecAmerica Bank. The BDC has worked with special legal counsel for the loan program (Tischler and Wald) in order to create appropriate renewal documentation under the same terms as the expiring note and in parity with the other five participating banks in the commercial loan program.

With special legal counsel review and approval of the respective renewal documentation, the BDC is now recommending approval of the notes so the Mayor and BDC can execute the documentation with North Community Bank and AztecAmerica for their continuation in the Berwyn Commercial Loan program.

Respectfully submitted for your consideration,

No person shall affix or cause to be affixed any metal license tag or vehicle sticker to an automobile or other vehicle other than the vehicle to which the tag or sticker was intended to be affixed at the time of the issuance thereof by the City Collector.

462.09 TRANSFER, SALE, REPLACEMENT OR LOSS OF TAG OR STICKER

Sale or Transfer. Immediately upon the sale or transfer of a vehicle licensed under this chapter, when the sale is made prior to the date of expiration of the license, the owner shall remove the metal license tag or vehicle sticker from the vehicle so sold or transferred. If the owner thereafter acquires another vehicle and wishes to transfer the license from the vehicle disposed of to the newly acquired vehicle, the owner shall immediately make an application to the City Collector for a transfer, providing the information contained herein. Upon surrender of the original vehicle sticker or metal license tag or upon proof that the tag or sticker has been destroyed, the Collector shall transfer the license to apply to the newly acquired vehicle upon payment of the proper fee. No person shall display a metal license tag or vehicle sticker on any vehicle other than the vehicle for which the tag or sticker was originally issued, without first transferring the license to the other vehicle, as provided in this section.

The owner of a vehicle licensed under this chapter shall promptly notify the Collector whenever the tag or sticker issued under the license is lost, stolen or destroyed.

The fee for a transfer of license is \$10. If the newly acquired vehicle is of a class requiring the payment of a license fee higher than was paid for the license originally obtained for the vehicle disposed of, the fee required to be paid for the transfer shall be the sum of the difference between the fee paid for the original license and the fee fixed for the license class of the newly acquired vehicle, plus the transfer fee of \$10.

Replacement. When a resident must have a new windshield, a replacement vehicle sticker may be issued. The application must be accompanied by the original receipt issued by the establishment that installed the new windshield indicating the vehicle which received the new windshield. If the city's records indicate that the vehicle is properly licensed, the Collector may issue the replacement vehicle sticker upon the payment of the transfer fee contained herein.

462.10 USE OF LICENSE REVENUES

All revenues derived from license and transfer fees required by this chapter shall be kept as a separate fund and used for paying the cost of street and alley improvement, repair and maintenance. The revenues shall be used in the manner provided for in the annual appropriation ordinance or in such other manner as Council may by ordinance direct.

462.11 IDENTIFICATION REQUIRED FOR CERTAIN COMMERCIAL VEHICLES

No person shall use, or cause or permit any of his or her employees to use, any vehicle in the transportation of property upon the public ways of the city unless the vehicle has the name and address of the owner thereof, and a serial number distinguishing the vehicle from any other vehicle controlled or used by the same person, plainly painted, in letters at least one and one-half inches in length, in a conspicuous place on the outside of the vehicle. However, any person who uses or operates more than five vehicles in the city may cause the name and serial number to be painted on each vehicle in letters not less than three inches in length and may omit the address therefrom. If the vehicle is used or operated continuously by a lessee or bailee or other person having complete control of the vehicle instead of the owner thereof, the name, address and serial number, or the name and serial number, as the case may be, of the lessee, bailee or other person may be painted on the vehicle as if the lessee, bailee or other person were the owner thereof. The name, address and serial number, or name and serial number, as the case may be, shall be kept so painted, plainly and distinctly, at all times while the vehicle is in use on the public ways of the city. This section shall not be construed as applying to street cars running on metallic rails or to any motor vehicle, recreational vehicle or other vehicle which is used exclusively for pleasure.

462.12 EXCEPTIONS TO CHAPTER

The following vehicles are exempt from the license fees required under this chapter: all vehicles owned and operated on the public ways of the city by the United States government or any agency thereof, by the state or any department thereof or by any political subdivision, public or municipal corporation of the state, or any department or other agency of the corporation; all buses owned and operated by churches in conjunction with the authorized activities of the churches; and all vehicles exempt from payment of a registration fee under the State Vehicle Code.

462.13 EFFECT OF CHAPTER ON BUSINESS REGULATION

Nothing in this chapter shall be construed as repealing or modifying, in whole or in part, any ordinance of the city relating to any particular business now being licensed by the city wherein vehicles are being used upon the public ways of the city.

462.14 UNLAWFUL REMOVAL OR DESTRUCTION OF LICENSE TAG OR STICKER

No person shall take, destroy, remove or obliterate any license tag or sticker provided for in this chapter without the consent of the owner of the vehicle.

Re: Vehicle Purchase

Date: February 14, 2014

During the process of preparing the Fire Department budget for 2014, we discussed the possibility of acquiring a new vehicle to replace a 2000 Ford Expedition as part of the fire department fleet. Due to its age and condition, this vehicle is rapidly approaching a state of not being suitable to respond in an emergency manner (lights & sirens) to incidents. It is also no longer cost efficient to keep spending (almost monthly) on maintenance to keep it in service.

If approved, this new 2014 Ford Escape 4 x 4 will serve as the training officers daily use vehicle. His current vehicle (2005 Chevy Impala) will be moved to our south station replacing the 2000 Expedition which is currently assigned there.

The 2000 Expedition can possibly be declared surplus by the Finance Director (then sold or auctioned), or be reassigned somewhere within the City in a non emergency response capacity. If the Council decides to reassign the vehicle within the City, it is my opinion that a certified mechanic should verify that the vehicle is still safe and road worthy.

The cost of this vehicle is \$23,933.00 and is available through Currie Motors, Frankfort IL as part of the Suburban Purchasing Cooperative (contract # 129), and would not require a competitive bidding process. This (Capital) expenditure was included in the final budget presented to, and approved by City Council as part of the 2014 FD budget.

Additional costs to outfit the vehicle (emergency lighting, lettering, and radio's) have also been budgeted for in the 2014 FD Budget.

The following five pages include the contract (#129) and the options/order form for the vehicle, which was awarded to Currie Motors by the SPC.
