Re: Legal Opinion

Ladies and Gentlemen:

At the September 4, 2013 Berwyn City Council Meeting the question was posed as to whether there would be an Intergovernmental Agreement necessary between the City of Berwyn, the Berwyn Police Department and the affected school districts.

It is the opinion of the Law Department that the position of a full-time School Resource Officer does not require an Intergovernmental Agreement with any school district.

Re: Fire Prevention Week 2013

Honorable Mayor Lovero and Members of City Council,

Fire Prevention Week was established to commemorate the Great Chicago Fire, the tragic 1871 conflagration that killed more than 250 people, left 100,000 homeless, destroyed more than 17,400 structures and burned more than 2,000 acres. The fire began on October 8, but continued into and did most of its damage on October 9, 1871. In 1920, President Woodrow Wilson issued the first National Fire Prevention Day proclamation, and since 1922, Fire Prevention Week has been observed on the Sunday through Saturday period in which October 9 falls.

This year **Fire Prevention Week** will run from **October 6th – 12th** – our theme for 2013 is **“Prevent Kitchen Fires”**. According to the latest National Fire Protection Association (NFPA) research, cooking is the leading cause of home fires. Two of every five home fires begin in the kitchen—more than any other place in the home. Cooking fires are also the leading cause of home fire-related injuries.

This year in cooperation with the Elementary Schools during Fire Prevention Week the Berwyn Fire Department will be providing the “Smoke Trailer” for grades 1-3 and we will be sharing our knowledge with the students on Fire Prevention with an emphasis on Preventing Kitchen Fires. We will cap off the week with homework and a poster contest for third grade students.

We are asking for City Council’s permission to hang these posters in City Hall and the Fire Stations for one month, I’m also seeking your participation as judges as we will present you with our finalists and judging criteria. The grand prize winner will receive a ride to school in a fire engine as well as a monetary gift certificate; the two runners-up will win monetary gift certificates as well which all three will receive at a City Council Meeting TBA. We are offering a Pizza Party lunch at the Fire Station for the first or second grade class with the highest percentage of students completing their homework assignments.

The monetary gifts and cost of the pizza party is being donated by the Berwyn Fire Fighters Union Local 506.

Stay safe,

Dear Mayor and Council:

Attached is a copy of the proposed 2013 Holiday Decoration Request for Proposal (RFP). Re: Recommendation to approve proposal from Natural Path Urban Forestry Consultants for Citywide Tree Inventory.

At the July 23rd meeting, staff received approval to proceed with an RFP for Citywide Tree Inventory services which includes an Emerald Ash Borer (EAB) plan to assess the impact of the EAB and management recommendations. The City has received a \$20,000 technical assistance grant to perform this. As stated in the July 23rd communication, staff estimates the scope of this project to be about 20,000 trees throughout the city.

I solicited the assistance of the Suburban Tree Consortium which is an arm of the West Central Municipal Conference that consists of 45 communities and tree nurseries in Cook, DuPage, Kane, Lake and McHenry Counties. I received several responses from STC members regarding tree inventory proposals and recommendations. Of the responses, the majority of them recommended either Natural Path Urban Forestry Consultants or Davey Tree Experts.

I have sent proposals to Natural Path Urban Forestry Consultants, Davey Tree Experts and Graf Tree Experts. I received one completed proposal for the above mentioned project from Natural Path Urban Forestry Consultants in the amount of \$2.52 per tree or an estimated \$50,400 (20,000 trees X \$2.52 per tree) for the data collection and preparation of the inventory report and \$1,200 for the Emerald Ash Borer (EAB) plan. In addition, Natural Path has proposed at no additional charge to enter and analyze the data collected using the US Forest Service's cost/benefit program and provide one year of technical support for the inventory.

Recommended Actions:

Staff recommends award of the RFP Natural Path Urban Forestry Consultants for Citywide Tree Inventory and Emerald Ash Borer Plan in the amount of \$2.52 per tree and \$1,200 for the EAB plan.. This project is budgeted within the Public Works Water Department fund.

Re: Authorization to advertise and hire one certified mechanic to refill position opened by retirement.

The Public Works Department is requesting authorization to advertise and hire one certified diesel/equipment mechanic to replace vacancy created by retirement of a Street Department employee and the lateral transfer of the current mechanic.

This position is budgeted and does not constitute an increase in staffing levels.

Recommended Actions:

City Council approves and authorizes the Public Works Department to advertise and hire one certified mechanic

Mr. Thomas J. Pavlik
Berwyn City Clerk
6700 W. 26th Street
Berwyn, Il 60402

Dear Mr.Pavlik,

On Friday October 11th and Saturday October 12th, the Stickney Forest View Lions Club will solicit funds to help humanity. Our primary goal is to eliminate blindness from the world in our lifetime and to help the hearing impaired.

No matter the amount of the donation received, those giving will receive a roll of traditional mint or flavored candy.

Since Berwyn has no Lions Club, we ask that you give us your City's permission to solicit funds throughout the Streets of South Berwyn.

Our main areas would be at the train stations and Ogden and Oak Park Avenues. As you know, we will be "shaking our cans" and offering rolls of candy for a donation.

A copy of our liability Insurance is attached.

Thank you in advance for your anticipated permission.

Sincerely,

Alan J. Brinker

To Whom It May Concern:

Violet Flower Shop is a family owned and operated business serving our community for over 35 years. We are hosting our Annual Flowers for Hope Fundraiser event at our shop on Saturday, October 12, 2013 in which all proceeds from raffles, candy sale, split the pot, along with our food & beverage sales will be donated.

We are hosting this event because we all know and love someone who has been touched by this disease. Some are currently battling this disease. Some are survivors. But there are also those who have fought a valiant battle and have been less fortunate. We were very excited to reach our goal last year of \$10,000. With your help, we are looking forward to surpassing that amount this year in our 4th Annual Flowers for Hope event. We wish to show our love and support by raising funds for awareness, prevention and the Ultimate Cure.

Your company/service can help us by providing support in the form of monetary donation or donation of services and prizes for the Raffle. Proceeds from this event will be going to the Breast Cancer Research Foundation.

We hope we can count on you for your support. It is for these Warriors that we founded this event and will continue the fight until there is a cure for them.

Sincerely,

Marlene E. Comella

September, 2013

Dear Berwyn Constituents:

I am writing you to thank you for being a part of democracy in action. You attended the congressional town hall meeting held recently in Berwyn and were part of an important interchange of information and opinions.

We discussed many critical issues including the Affordable Care Act. Without such a discussion, good information and viewpoints are not shared. Please tell everyone you know—especially individuals without healthcare coverage—that they can sign up for affordable and accessible health care.

Because of the town hall meeting, I have the benefit of knowing what constituents believe about many issues and what their priorities are for me in representing their interests in Washington D.C.

So your involvement at the August 22 meeting helps to shape what I believe is the best agenda for the residents of the 7th Congressional District. Continue to share your concerns and interest with my office. Even though we do not have a suburban location anymore, you can reach my Suburban Representative Larry Shapiro at 708: 345-6857. Also feel free to call my Chicago office at 773: 533-7520. That office is located at 2746 W. Madison.

Sincerely

Re: Berwyn Fire Fighters Local 506 Cancer Drive

The Berwyn Fire Fighters Local 506 would like to conduct a "Pass the Helmet Drive" and go "Passionately Pink for the Cure" on October 12, 2012 to educate our Community about breast cancer and to raise funds for Susan G. As a member of the Berwyn Fire Fighters Association Local 506, I am requesting permission for our Firefighters, in conjunction with the Berwyn Fire Department to collect donations at various intersections though out the City of Berwyn.

This will take place on **Saturday October 12, 2013** and will go from **9:00 am** to **1:00 pm**.

Thank you for your consideration in this matter.
