  - Ogden Avenue to 39<sup>th</sup> Street with Cuyler Avenue being one-way southbound
  - Highland Avenue, one-way northbound, Harvey one-way southbound, and
  - Lombard Avenue one-way southbound, leaving 3 southbound verses 1 northbound street for the area grid.

Campbell gave a history regarding traffic study on Lombard Avenue that started in January 2010, which resulted in the recommendation to divert Lombard to one-way southbound, which then left an uneven directional distribution on adjacent 3 streets. Lombard was converted in August 2010.

Observed Traffic changes after August 2010 where traffic volumes had

- Decreased on Harvey
- Increased on Highland and Cuyler Avenue and
- Highland Avenue had experienced the greatest increase and change at 36%

as of February 23, 2011:

- 3400 block of Harvey experienced 378 vehicles a day
- 3400 block of Highland experienced 859 a day
- 3400 block of Cuyler experienced 662 a day

- Cuyler Avenue a one-way northbound, Highland one-way southbound,
- Harvey one-way northbound,
- Lombard one-way southbound.

MARCH 8, 2011

Thereafter, a series of questions and concerns were raised from the aldermen including how soon before the changes can go into effect. Campbell answered, possibly as soon as May. Discussion ensued on having Lombard Avenue two-way until Cicero alley to help with potential increase in traffic from Paisan's Pizza parking lot.

RE: Signage/Roosevelt Road

Dear Mayor and Member of the City Council:

It has been brought to my attention that there is signage on the buildings on Roosevelt Road that are not within the City ordinance. Several of the businesses on Roosevelt Road have signage on the brick indicating their names and/or type of business. I have discussed this issue with the Building Director, Mr. Chuck Lazzara and the Roosevelt Road Businessman Association (RRBA) President, Mr. Paul Zimmerman. Because these signs are easy to spot as you drive down Roosevelt it is the feelings of the RRBA that these signs are of benefit to the businesses and the residents, making the buildings which do not have signage over the sidewalk easy to spot. The Oak Park side of Roosevelt also has such signage. Since we are embarking on a new Roosevelt Streetscape look, I would ask that we allow the signage that is now in place to be approved pending the approval of the RRBA and the Building Department. I would also ask that any further signage be must approved by the RRBA prior to being allowed their application by the Building Department. Mr. Zimmerman stated that the RRBA would take on this task and report to the Building Department in a timely manner.

I would therefore ask that this request be referred to the Legal Department for drafting of the ordinance and that Mr. Paul Zimmerman and the Building Department be notified of this change upon approval of the ordinance.

RE: Lectura Montessori School/6907 Roosevelt Road

Dear Mayor and Member of the City Council:

Lectura Montessori School located at 6907 Roosevelt Road is expanding. They will be adding a toddler (18 months to 3 years) and elementary (grades 1-6) curriculum in the Fall of 2011. Needless to say I am thrilled that their business has flourished on Roosevelt Road. They do, however, now need additional space and would like to stay in Berwyn on Roosevelt Road. They are looking at additional space right down the street in the Homescape building, 6823 Roosevelt Road. Since they had to present before Zoning prior to opening their school I am asking that we allow them to expand their business without having to go through the process again. I have discussed this move with Mr. Anthony Griffin from the BDC and our Building Director, Mr. Chuck Lazzara. They both concur with this thought and agree that expanding the school on Roosevelt Road would be of benefit to the community. Therefore, I am asking that the Council waive the Zoning process for this expansion.

Sincerely,

RE: Holiday Light Removal Ordinance

Dear Mayor and Member of the City Council:

Holiday lights left up long after the Holiday's are over not only send a message that people do not care about the neighborhood, but are also a potential fire hazard. Outdoor light sets are not made for prolonged exposure to the elements and should be taken down as soon as the season is over. If left up and used again the next season they could cause a fire. Many suburbs have ordinances limiting outdoor seasonal displays. I believe that 60 days before and after a holiday would be fair to the residents of Berwyn. The city can extend the deadline in cold weather or severe winter storms as we had this past year. Therefore, it would be my motion to send this communication to the Business, License and Taxing committee for further review to determine the fine for non-compliance and to the legal department for drafting of the ordinance.

Re: Resident Parking 8am-5pm Monday through Saturday

A parking study was conducted on the 2100 block of Clarence Avenue after receiving a petition from the residents of that block. The study indicated 55% of vehicles parked on the block are non-residents. These vehicles are also parked for an 8 hour or longer period. This study is representative of the parking situation of the surrounding blocks. The parking study was then expanded to areas south of Cermak Road without daytime residential parking restrictions. The parking on 23<sup>rd</sup> Street between East and Scoville Avenues was examined. 100% of the vehicles parked were non-resident vehicles for an 8 hour or greater period.

Recommendations

It is my recommendation to sign the 1900 and 2100 blocks, up to the Vacin Fairway, of Wesley, Clarence, East and Scoville Avenues and 19<sup>th</sup> and 21<sup>st</sup> Streets as Resident Parking 8am-5pm Monday through Saturday. It is also my recommendation to sign 23<sup>rd</sup> Street from Euclid to Gunderson Avenues and the 2300 block of Wesley Avenue Resident Parking 8am-5pm Monday through Saturday. This will include the parking study area on 23<sup>rd</sup> Street and areas previously signed as Resident Parking 8am-3:30pm, into one uniform parking restriction. The ordinances facilitating these changes will be approved and presented to Council.

Sincerely,

Nicole Campbell, Traffic Engineer

Subject: Shares of Prudential Stock

While General Ledger Accountant Kyle Solberg was performing the December bank reconciliation recently, he brought to my attention an electronic deposit into the City's checking account for a dividend from Prudential Financial, Inc.. Upon investigation we determined that the City is the owner of 1,661 shares of Prudential stock which had never been recorded on the City's books. The stock was issued to the City in 2001 when Prudential went from a mutual company to a stock company.

Since the City's investment policy does not allow for the holding of equity investments, I have instructed the trust company holding the stock to sell all of the City's shares and will have the proceeds deposited into the City's general checking account at Citizens Bank. Based on recent stock prices, the value of the shares is approximately \$100,000. However, once the sales transaction has been completed (which can take up to five days), I will report to you the actual amount of the proceeds. This communication is for your information.

RE:    Xerox Copy Machine Lease Revision

Ladies and Gentlemen:

One of the Xerox machines being used by the Investigations Division in the Berwyn Police Department was found to be insufficient for the Division's needs. We have since replaced it in order to meet the demands of the Division. The original machine's lease has been terminated. The additional cost for the upgrade is \$125.76 per month which still remains within our budget.

We are asking for your approval of the revised lease agreement which has already been reviewed through the Legal Department.

Thank you for consideration in this matter.

Respectfully,

Thomas J. O'Halloran  
Division Commander  
Administrative Services

PRIMARY NARRATIVE

Jean Malecek with IL ID [redacted] is requesting handicapped signs to be placed in front of her residence at 2118 S. Clinton Ave. Berwyn, IL. 60402. Jean Malecek suffers from [redacted]. Mrs. Malecek was unable to be reached at her home and at the provided telephone number. Multiple attempts to contact Mrs. Malecek were made at her residence and at the provided telephone number with negative results. A/O interviewed the surrounding neighbors to verify if Mrs. Malecek had been seen in the area of her residence. Her neighbors choose to remain anonymous and stated that they have seen Mrs. Malecek leaving her household at varies times this month. Mrs. Malecek according to her neighbors is known not to answer the phone or answer her door due to trust issues in the past. This application is being closed at this time due to the inability to contact Mrs. Malecek and the Handicapped Affidavit missing necessary information regarding a valid handicapped state card.

For the above listed reason this officer feels that this application should be denied at this time.
