"Transfer Price" means the consideration furnished for the transfer of title to, or beneficial interest in, real property, valued in money, whether paid money or otherwise, including cash, credits and property, determined without any deduction for mortgages, liens or encumbrances, and specifically including the amount of any indebtedness or obligation cancelled or discharged in connection with the transfer. In the case where the controlling interest in a real estate entity is transferred, and the real estate entity holds assets in addition to title to, or beneficial interest in, real property located in the City, the term "transfer Price" means only that portion of the consideration attributable to the transfer of such real property or such beneficial interest.
