

Parkway Tree Program

📞 708-749-4700

✉ requestatree@ci.berwyn.il.us

The City of Berwyn’s annual Parkway Tree Program online application is now open. This program provides the opportunity for residents to request a tree planting along their property parkway at no cost. Available to homeowners only. Subject to application approval from department.

PROGRAM REQUIREMENTS

- **REQUEST MUST BE SUBMITTED BY PROPERTY OWNER.**

Requests from tenants cannot be accepted. Application approval will require property ownership verification. Planting is only done on the parkway property. Program does NOT apply to private property.

- **THE PLACEMENT AND TREE SPECIES IS DETERMINED BY THE CITY OF BERWYN FORESTER.**

Tree selection and tree species will be determined by city forester to ensure maximum safety and sustainability measures. Safety factors such as overhead power lines and underground utilities may affect application approval.

PROGRAM BENEFITS

- **ENVIRONMENTAL SUSTAINABILITY INITIATIVE.**

Increased shade may reduce home heating/cooling costs, increase community walkability, and reduced air pollution.

- **REFORESTS AND DIVERSIFIES BERWYN’S TREE CANOPY.**

A healthy, diverse, urban ecosystem can help absorb air pollutants, promote physical and mental well-being, generate more environmental interest, improve water quality and improve soil quality.
