Don't forget

Any unspent funds will expire at the end of the year and won't roll over, so be sure to use them or lose them.

Catalog prices can't be combined with promotional offers or ExtraBucks Rewards®.

You get a maximum of two home deliveries per year, at no charge to you, with unlimited in-store purchases until your allowance runs out.

The over-the-counter allowance is managed by Over-the-Counter Health Solutions®, a division of CVS Health®. Eligible products vary by plan and are subject to change. Plan features and availability may vary by service area. Images are only for illustration and may differ from items received. Cannot be used with other CVS® discounts, programs or promotions.

The value of products purchased with the OTC stipend may be considered taxable income. Please consult your tax adviser if you have any questions regarding taxability.
