

# SBC GARBAGE & RECYCLING SERVICES

## Collection Days Are Monday - Friday

**! Please contact SBC regarding e-waste collection and to schedule a special collection pickup.**

### E-WASTE COLLECTION

E-waste contains toxic materials, such as lead, cadmium, and beryllium, once it is exposed to strong UV radiation or corrodes due to any other physical or chemical reasons, toxic materials could be released into the atmosphere, infiltrate the soil, and flow into the water bodies nearby, affecting public health.

### ACCEPTED ELECTRONIC WASTE PRODUCTS:

Computers | Laptops | Computer Monitors | Computer Cables  
Cable Receivers Fax Machine | Digital Video Disc Recorders  
Digital Converter Boxes | Scanners Televisions | Electronic  
Keyboards | Electronic Mouse

Please contact SBC regarding e-waste collection and to schedule a special collection pickup.
