The Proposer, if requested, shall present evidence of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these proposal documents; such evidence shall be presented within a specified time and to the satisfaction of the City.
6. **COLLUSIVE PROPOSING.** The City of Berwyn believes it is important to keep a fair and balanced marketplace, therefore the Proposer certifies that the proposal is made without any previous understanding, agreement or connection with any person, firm, or corporation making a proposal for the same project, without prior knowledge of competitive prices, and that the proposal is in all respects fair, without outside control, collusion, fraud or otherwise illegal action. Any addenda shall be issued by the City within a reasonable time prior to the proposal date.

**D. SELECTION OF FIRM**

1. **REJECTION OF PROPOSALS.** The City reserves the right to accept or reject any or all proposals, to waive irregularities and technicalities, and to request resubmission. The City also reserves the right to reject a similar nature, or proposal from a Proposer who, investigation shows, is not in a position to satisfactorily and timely perform the contract.
2. **SELECTION** The City desires to enter into negotiations and ultimately reach an agreement with a Proposer who demonstrates the best combination of attributes to conduct the project, and who also negotiates a project cost with the City that is fair and reasonable. The City may conduct discussions with any Proposer who has submitted a proposal to determine qualifications, for further consideration. Since the initial review by the City will be deemed preliminary in nature, the document and process will be deemed confidential until such time as the successful Proposer is selected. Nothing in the proposal can obligate the City to enter into a contract.
6. **LOCAL PURCHASES.** Unless otherwise specified, cost and other considerations being equal, local firms shall be given first consideration for the project.
7. **ERRORS IN PROPOSAL.** Any ambiguity in any proposal as a result of omission, error, lack of clarity or non-compliance by the Proposer with specifications, instructions and conditions shall be construed in the light most favorable to the City. Changes in proposals shall be initialed and dated.
